

## Assessment criteria

ICT Framework objectives for lesson 3 in unit 7.3	How would I know the objective has been met? Assessment criteria, e.g. I can... I have...
<ul style="list-style-type: none"> <li>• Understand that different forms of information – text, graphics and symbols – can be combined to create meaning and impact.</li> </ul>	
<ul style="list-style-type: none"> <li>• Plan and design the presentation of information in digital media, taking account of the purpose of the presentation and intended audience.</li> <li>• Use ICT to draft and refine a presentation, including:               <ul style="list-style-type: none"> <li>– capturing still images;</li> <li>– reorganising, developing and combining information, including text and images, using the simple editing functions of common applications;</li> <li>– importing and exporting data and information in appropriate formats.</li> </ul> </li> </ul>	
<ul style="list-style-type: none"> <li>• Apply understanding of common forms and conventions to own ICT work.</li> </ul>
