

Pupil self-assessment

- Do you remember the objective of the lesson?
- What did you find easy about ... ?
- What did you find difficult?
- What helped you move on (friend/resource/teacher) to learn something new about ... ?
- What do you need more help with?
- What are you most pleased with?
- Have you learned anything new about ... ?
- How would you change this activity for another group or class who were learning to ... ?
