

Next steps for pupils – completed

Ideas for extension activities and curriculum targets

| |
|--|
| <p>My presentation</p> |
| <p>Next steps</p> <p>To progress further the pupil would need to be provided with opportunities to:</p> <ul style="list-style-type: none"> • refine his work, paying particular attention to the needs of the audience and the purpose of the presentation; • evaluate the effectiveness of his publication against given criteria; • develop the structure of the presentation to allow more interactivity would further support work at the next level – the present structure of the presentation is linear. |
| <p>Disco model</p> |
| <p>Next steps</p> <p>To make further progress the pupil could be given opportunities to:</p> <ul style="list-style-type: none"> • assess the validity of her ICT-based models by comparing their behaviour with information from other sources; • review efficiency within the greater range and complexity of the information being considered. |
| <p>Public information system</p> |
| <p>Next steps</p> <p>To make further progress the pupil should be given opportunities to:</p> <ul style="list-style-type: none"> • define and create his own systems, ensuring that they are tested by other users. |
