

## Application chart

Consider each of these groups of pupils, working with each type of software application.

- What type of activities might you engage them in?
- What scaffolding might each group require?

Explain your reasons.

Group	Application		
	HTML	Wordprocessor/ DTP	Web-creation software
Less able	Use TR 1 from STU 8.2. Support staff to work with this group of pupils.		
Middle ability	Use TR1 from STU 8.2.		
Able pupils	Give able pupils TR1 to work through. Ask them to act as peer tutors for middle-ability group.
