

## Examples of actions

Decide on the focus of a visit to a Year 6 class and invite the Year 6 teacher to visit a Year 7 class in return.	Discuss the planned and actual coverage last year of the programme of study or SoW with a Year 6 teacher.
Develop joint planning of curriculum continuity using QCA SoW Unit 6A and <i>Sample teaching unit 7.1</i> or a bridging unit.	Arrange for opportunities for joint discussions of standards and assessment with a Year 6 teacher.
Produce displays to support the transfer of pupils and develop understanding of prior learning.	Discuss with a Year 6 teacher the collection of a sample of work from their class.
Review current planning for the delivery of sample teaching units and plan for opportunities to identify pupil starting points at the beginning of a unit.	Review current planning for the delivery of sample teaching units to ensure inclusive teaching strategies are explicit.
Produce resources to ensure inclusion (paper-based and/or electronic).	Identify groupings of pupils within classes so that learning is appropriate and specifically targeted.
Target and plan for the support of a teaching assistant in a unit of work.	Target and plan for reinforcement of learning outside ICT lessons (e.g. lunchtime clubs, workshops).
