|--|---|
| 23.) Which of the following BucksGfL services did you access using this netbook?
<i>please tick all that apply*</i> | School Moodle
BucksGfL Moodle
BucksGfL Connect |
| 24.) Please give any comments about your experience of accessing BucksGfL services using this netbook: | The webcam did not function with Adobe Connect as there is no plugin for it for Linux, only for Windows. |
| 25.) Indicate who you feel this machine is suited to:
<i>Please tick all that apply*</i> | Foundation Pupils
KS1 Pupils
KS2 Pupils |
| 26.) Were there any significant problems with your use of the machine?
<i>Please be clear which were down to you not being familiar with the system, and which were due to the system not working or failing*</i> | No apart from the webcam not working with Adobe Connect under Linux. |
| 27.) Please give any other comments* | Upgrading apps such as Firefox, OpenOffice or Pidgin to the latest version is not easy on this netbook due to it being Linux. |
| 28.) Overall , would you recommend this machine (as used by you) to someone else?* | Yes, with reservations |
